

Job Announcement

Senior Pastor

Greenville Associate Reformed Presbyterian Church
Greenville, SC

Greenville Associate Reformed Presbyterian Church seeks a full-time Senior Pastor.

The life and ministry of viable candidates will strongly evidence a personal commitment to Jesus Christ as Lord and Savior, especially in personal and spiritual maturity and integrity. A history of excellence in preaching, leading worship, teaching, and congregational care are vital aspects of the ministry of this position. Strong administrative leadership skills are also required.

In addition to meeting all of the pastor qualifications outlined in the ARP Form of Government, the Senior Pastor will be expected to engage in expository preaching, possess a humble spirit, and be committed to the congregation's recently adopted Vision and Values.

The congregation consists of approximately 575 members. The church property is located near downtown; the area includes affluent, middle, and lower income neighborhoods. The Census Bureau recently ranked Greenville as the 4th fastest growing city in America and the population growth has a potentially large impact on our church.

Education and Experience Required: M.Div. degree or higher. Five or more years as Senior Pastor in the ARP denomination or another NAPARC-member denomination preferred.

For more information about the church, the community, the expectations of the Senior Pastor, and the church's Vision and Values, go to:

www.GreenvilleARP.com/jobs.

Interested candidates are encouraged to submit resumes promptly.

To submit a resume in confidence:
