

## Synod Board/Committee Member Needs Analysis for 2016

Name of Board/Committee: Investment Committee

Purpose as stated in Manual of Authorities and Duties:

The Investment Committee is charged with the management of investment funds of the denomination and its agencies as entrusted to it. The Investment Committee may also manage funds from presbyteries and churches.

In the exercise of its authority, the Committee shall comply with The Standards of the Associate Reformed Presbyterian Church, and its policies and programs shall be consistent with the purpose of the General Synod.

Skill sets/experience desired in persons appointed to serve terms beginning July 1, 2016:

Knowledge of the variety of investment instruments and their inherent risks

Seasoned financial managers (10+ years of managerial experience) with institutional, brokerage, banking, insurance or other similar career experience

Ability to work in a team/committee environment
