

## Senior Pastor Job Posting

*Hope Church exists to make disciples, leading them in a growing relationship with Jesus Christ.*

Hope Church, Presbyterian is an exciting Evangelical, and Word-centered ARP church that has been in existence since 1999. We value relevant and meaningful worship, service, teaching, preaching, and leadership. With the recent move of our founding pastor to a national role, we are seeking a new Senior Pastor.

Our worship service is considered contemporary in style and is supported by a very gifted praise band. Built in 2009, our church facility is located on about 4 acres in Lutz/North Tampa, Florida. We are in a growing community within walking distance of three newly developed top schools. Our location offers an opportunity to impact generations with the Gospel. Most importantly, we have a wonderful church family who call Hope home. Please visit our website at [www.hope4tampa.com](http://www.hope4tampa.com) to get a better understanding of Hope Church.

As an Associate Reformed Presbyterian Church, our denominational standards REQUIRE pastors to be men who are spiritually mature, compassionate, Reformed in their theology, and have earned their M.Div. degree (with languages) from an accredited Seminary. We seek a Senior Pastor with a proven track record of serving a growing and relevant church. We will only consider applicants who meet the above requirements and are seeking a great church, great area, and great opportunity to make a real difference in His Kingdom.

The next Senior Pastor of Hope Church needs to be a gifted leader who seeks God's Will first and foremost. He should genuinely embrace contemporary worship as being an invaluable way to contextualize the Gospel to the church, unchurched, and lost people of the Tampa Bay area. He must be able to preach and teach with passion, compassion and energy, bringing the scriptures to life in ways that are engaging for those far from Christ while equipping the saints. He must be a visionary leader who can connect members with diverse backgrounds and traditions while embracing our vision to reach the lost and to share and enjoy the life giving message of hope.

Please pray about your possible fit with this position and then submit your resume and any other pertinent information to [hopesearchteam@gmail.com](mailto:hopesearchteam@gmail.com) or mail to Hope Church Search Committee, 5107 W. Lutz Lake Fern Road, Lutz, Fl., 33558.
