To the Canadian Presbytery,

Dear brothers in Christ,

Greetings to you in the name of our only risen Lord and Saviour.

We are reminded that over 2,000 years ago, the message the early church sent out is the same message today. Jesus Christ is our risen Lord and Saviour and will one day return in glory. As the apostles were "*witnesses in Jerusalem and in all Judea, and Samaria and to the end of the earth*" (Acts 1:8b, ESV), so also are we given that same command and responsibility today.

In the brief history of the Associate Reformed Presbyterian Churches in Canada (under the auspices of the Canadian Presbytery), there have been a small number of

explorations towards church planting with no successful implementation of missions from those explorations. Some more recent examples of previously established mission congregations in Canada (during our time in the NE Presbytery) that have grown are to be found in Chatham, ON, Kentville and Halifax, NS. At the past 2009 Stated Spring Meeting, the presbytery approved of an exploration work to be undertaken in the Kingston, ON area with the results still pending from that work.

The City of London, Ontario has a population of over 350,000. According to the 2006 census there are almost 97,000 families in the city. It is a diverse population with a mixture of predominantly European backgrounds as well as some Asian and a large rapidly growing Muslim community. There are currently eleven Presbyterian churches in the city (almost all associated with the PCC) so there is be some familiarity with Presbyterianism.

At a meeting on September 3, 2009, the Session of Grace Presbyterian Church approved a plan to move ahead and attempt to establish a satellite small group in the City of London, Ontario using members from her own congregation (some of whom live in London) as we work to establish a core group. It is our intention to see if this group (with the addition of others) could eventually grow into a Church Mission of the Canadian Presbytery of the Associate Reformed Presbyterian Churches in Canada. There is currently no established Associate Reformed Presbyterian Church presence in London. There is one United Reformed Church within the city limits, one Orthodox Presbyterian Church outside of the city limits to the west (Komoka, ON) and a Free Reformed Church in the extreme west end of the city as well as another in St. Thomas, ON (south-west of London). The area we are targeting is in the east end of the city which places it away and somewhat isolated from the other NAPARC recognized churches. Our prospective start date is for November 1, 2009.

We have already received confirmation from Rev. Henry Bartsch, Rev. Brian Murray and Rev. Jeff Kingswood as to their participation (on a rotating basis) in leading one Sunday afternoon service per week at a location yet to be determined within the city limits of the City of London (east end). With the establishment of this group, we are anticipating that there will be several costs involved (such as rent for facilities, hymnbooks, advertising and other items).

The Session of Grace Presbyterian Church (Woodstock, ON) hereby humbly petitions the Canadian Presbytery for funding assistance of \$10,000.00 from the Canadian Church Development Fund to be used towards the establishment of a satellite small group under the ministry and authority of the Session of Grace Presbyterian Church with the intention to see this group eventually grow into a viable church mission which would then be placed under the care of the Outreach Canada Committee of the Canadian Presbytery.

It is our full intention to report back to the court at the 2010 Stated Spring Meeting as to our progress in this endeavour.

We give thanks to our Lord for His faithfulness to us through our lives on earth. We ask for your prayerful consideration in this matter and await your response to this request at your earliest convenience.

In Christ's service,

Bill McKay,
Clerk of Session
Grace Presbyterian Church

APPENDIX 2 (September/09)

SYNOD MATTERS FOR PRESBYTERY CONSIDERATION

We have received a list of Synod recommendations in which Presbyteries were referenced. None of these matters requires a vote by the presbytery, but are simply a reminder of them. The numbers by each item are the recommendation numbers as reflected in the Minutes of Synod 2010 under the respective committee/board report.

Board of Benefits

3. That presbyteries direct all congregations (except for congregations that have been excluded by action of the Board of Benefits) to enroll and pay premiums for all employees eligible to participate in the life, dependent life (if applicable), accidental death and dismemberment, and long term disability plans.

Erskine

2. That special days be designated when the work of Erskine College and Seminary can be presented to the congregations of the Associate Reformed Presbyterian Church and when special offerings to support the ministries of this institution can be received.

3. That the educational opportunities at Erskine College and Erskine Seminary be promoted in local churches, presbyteries and denominational events such as conferences, retreats and other occasions. Special attention should be given the Presidential Scholarship Program in the College and the lecture series offered by the Seminary.

Investment

1. That this report be received as information and that presbyteries and sessions note the availability of services offered by the Investment Committee.

Minister & His Work

1. That presbyteries be encouraged to utilize the 20 recommendations listed in the "Pastoral Care for Pastors" report which was part of this committee's report to General Synod in 2008.

2. That presbyteries be encouraged to devote considerable time to prayer and worship during presbytery meetings, i.e., to consider these meetings as opportunities for spiritual retreat as well as for business.

3. That presbyteries encourage:
 - a. ministers and seminary students to keep updated data forms on file at the ARP Center;
 - b. congregations to complete a "church profile" before seeking a pastor;
 - c. pulpit committees to give preference to ARP ministers and students; and
 - d. congregations, where financially feasible, to employ ARP seminary students for the summer months.
4. That presbyteries require ministers to attend the General Synod orientation program early in their pastoral ministry.
5. That presbyteries that have not yet done so develop a program to encourage congregations to incorporate the annual review of the minister's call into an annual ministry review.
8. That presbyteries that have not yet done so adopt policy statements on sexual harassment and sexual misconduct.

Nominations

4. That each presbytery be reminded to consider appointing an alternate representative to Synod's Committee on Nominations in the event that the chairman of a presbytery Committee on Nominations is not able to attend Synod's Committee meeting.
5. That presbyteries consider making Recommendations for Service during their fall meetings.
7. That those making Recommendations for Service to the Committee (by mail or on-line) remember the need to use the proper form, and to provide helpful information concerning the qualifications for each person recommended.

World Witness

2. That the presbyteries, sessions, congregations and members of the Associate Reformed Presbyterian Church General Synod be encouraged to pray for the Lord's provision for His work in the coming year.
5. That presbyteries, sessions, congregations and members of the Associate Reformed Presbyterian Church General Synod be made aware of the opportunities for missionary service in the US and overseas and that they be challenged to "ask the Lord of the harvest to send out workers into His harvest field." (Matthew 9:38)

APPENDIX 4 (September/09)

To:

The Mount Zion Pulpit Search Committee
Rev. Rick Barnes, Chair of Minister and His Work Committee
Rev. Andrew Savill, candidate for pastor at Mount Zion
Mr. Paul Brinkman, chairman of the deacons at Mount Zion
Rev. Brian Murray, Moderator of Presbytery
Mr. Bill McKay, Clerk of Presbytery

Cc: The Provisional Session of Mount Zion

Greetings to you all,

The Mount Zion Provisional Session met tonight to discuss the way forward now that the Search Committee has officially recommended Rev. Andrew Savill for nomination. Rev. Savill is an ordained minister in the PCA who serves as an assistant pastor at Eastbridge PCA in Mount Pleasant, SC.

The Session began with a review the things that have been done up to this point and the things that need to be done to process the recommendation of the Search Committee. The following is the summary that was given, followed by our recommended plan of action:

THINGS THAT HAVE BEEN DONE UP TO THIS POINT:

1. The Search Committee has officially moved that Rev. Savill's name be brought forward to the congregation for a call.
2. The Search Committee has invited Rev. Savill to come up on Sept 23 so he can attend Presbytery, and then preach at Mt. Zion on Sept 27. The tentative plan is that a week following that, the congregation would meet to vote on calling him (that would be Oct 4).
3. Rev. Shearouse spoke to Andy last night to confirm his commitment at this point. He has indicated that he is willing and desirous to come to Mount Zion and does not see a need for a time of probation on his part.
4. Rev. Shearouse contacted Rev. Rick Barnes of Minister and His Work this morning to notify him of these things and to discuss our options.

THINGS THAT NEED TO BE DONE:

1. The M&HW Committee is (according to our MOP) supposed to meet with any

Candidate that is nominated by the search committee to examine him before his name can be brought forward for a vote of the congregation. The terms of call are to be provided to the M&HW Committee for examination as well.

2. Upon the approval of the candidate by the M&HW Committee, the session is to call a congregational meeting (also indicating their approval of the candidate) to vote on calling him and to attest to the call.

3. Then the candidate is to be presented to the Presbytery for examination if M&HW approves of the call.

THE PLAN OF ACTION RECOMMENDED BY THE SESSION:

1. That the Deacons and Search Committee draw up the terms of a call to Rev. Savill for the Session to review at our meeting on September 15. [Note: this particular point was not discussed at the session meeting]

2. That the M&HW Committee examine Rev. Savill and approve the terms of call at Presbytery on September 24.

3. That the Provisional Session also meet with Rev. Savill at Presbytery, and, upon approving him, set the date of Oct 4 for a congregational meeting at Mount Zion that the congregation may act upon the request of the Search Committee and attest to the terms of the call.

4. That the M&HW committee review the call and the attestation of the call and upon approval, arrange for a called meeting of Presbytery as soon as possible (perhaps a commission from the Maritimes if Presbytery approves) to examine the pastor-elect and to present him with the call and grant him permission to move onto the field of service.

Such is our recommendation. We present this to all the other parties for their consideration, action, and/or approval as may be required in order that we may all operate together. Mr. Barnes suggested the idea of a commission from the East to conduct the final examination and installation which will enable things to be done in a much more timely fashion.

Yours in Christ,

John R Shearouse
