Presbytery Recesses to Adjourn with the Meeting of General Synod

Matters of unfinished business were considered.

Barry Dagenhart, Chairman of Commitment and Finance, reported the sale of the Carolina Covenant property in Fort Mill, SC as authorized earlier by the Presbytery. The closing is to be later in June.

The report of the State of the Church Committee was received and ADOPTED as follows:

REPORT OF THE STATE OF THE CHURCH COMMITTEE

The State of the Church Committee met at the Union Church in Richburg on May 7, 2010 to review the Annual Reports for 2009 and make recommendations.

The Committee notes that there are some churches in Catawba Presbytery that have not been represented consistently by elders at Presbytery and Synod meetings. The Committee reminds the churches of Catawba Presbytery that they are entitled, under the *Form of Government* XII.C.2 and XIII.C.1, to minister and elder representation at these meetings.

The Committee understands that there are some congregations in the Presbytery that struggle to remain viable and are unable to be represented at Presbytery and Synod meetings. The Committee requests Catawba Presbytery to pray for renewal and revival in these churches, and to offer thanks to Almighty God for the faithful members who continue to persevere to keep them going.

The Committee also understands that there are a few congregations that likely could have elder and minister representation at Presbytery and Synod meetings, but have not been in the regular practice of doing so. These congregations are encouraged to take their privileges and duties as members of a connectional church seriously.

In a period of some unrest in the ARP denomination, the Committee reminds all ministers, elders, and congregations of their privilege and duty to support the General Synod and its agencies by prayer, participation, and monetary giving.

Recommendations

1. That Catawba Presbytery pray for revival and renewal in her churches that struggle to remain viable, and give thanks to Almighty God for the faithful members who continue to persevere and keep them going.
2. That Catawba Presbytery remind all congregations of their privilege and duty to be represented at Presbytery and Synod meetings.

3. That Catawba Presbytery remind all congregations of their privilege and duty to support the General Synod and agencies of the ARP Church.
4. That the Moderator announce that all churches whose names begin with **I-Z** along with **Chester, Edgemoor, Faith, Faith Fellowship, Hardeeville, Hope, LA, Hope, TX and New Hope** are to bring their session records to the Fall stated meeting for review

Respectfully,
Mark Miller, Chairman

The matters of unfinished business from the Committees on Nominations and Outreach will be reported as part of regular reports.

The report of the Committee on Church Extension was presented and ADOPTED as follows:

REPORT OF THE COMMITTEE ON CHURCH EXTENSION

The Committee met on May 11 to conduct regular business.

We received reports on the Parenting Church Community, the new church planter guidelines from ONA, the Indian Land Mission, and the Committee for Church Planting of First Columbia.

The Parenting Church Community in Rock Hill is still making progress and hoping to move into another phase soon.

The report from Gary Stiltner at Indian Land Mission indicates that things are still going well with the work and it appears to be on track with the stated plan.

The Committee for Church Planting at First Columbia is ready to move ahead with their plan to daughter a church. They made a request for a provisional session to be appointed.

Andrew Stager requested the approval of our Committee to attend the next Church Planters Assessment Center in August.

The Church Extension Committee approved the following motions.

1. The appointment of a provisional session for the new work sponsored by the First Columbia Church.
2. The appointment of a subcommittee to identify and task the particular members of the provisional session.
3. The designation of the provisional session as the pulpit committee for the new work.
4. The approval for Andrew and Elli Stager to attend the Assessment Center in August.

Recommendation:

1. That the actions of the Committee be sustained.

Respectfully Submitted,

Martin L. Taylor, Chairman

Mr. Taylor reported that Living Waters has requested Presbytery approval for a grant of \$35,000 from ONA. The motion was made and ADOPTED.

The report of the Committee on Outreach was presented and ADOPTED as follows:

REPORT OF THE COMMITTEE ON OUTREACH

The Committee on Outreach continues to meet with the ministry group known as IBL. We have had one general meeting with the ministry group. We discussed a number of things relevant to the work as well as a look at the future. The committee continues to relate quite well with this group.

Our report to the last meeting of Presbytery in March was prepared prior to our second retreat on February 20. Rev. Juan Carlos Bonilla led the retreat with the theme of "Creating a Vision." Fortunately for our committee members Rev. John Rogers of Edwards Memorial has come along side as a listening ear for us. He speaks and understands the language and is able to summarize for our committee members "what went on." The people are eager to learn and apply what is being taught. They are thrilled that these specific needs are being addressed

Rev. Rogers is on the schedule to be the leader for our next retreat to be held the third or fourth Saturday in May. (Dates are being worked out to enable more people to attend.) The subject of this retreat will deal with the Form of Government and related matters.

One item was referred to us at the last meeting of Presbytery. The gist of the motion was to clarify the procedure for moving a ministry group to mission status. We have determined that the best way to do that is to present it in the Rules of Procedure format as follows:

Section 4: From Ministry Group to Mission Status

a. Procedure

- (1) The process begins when the Committee On Outreach and the mission group jointly conclude that the ministry group has met the standards of the Committee On Church Extension (Section 4 (a) (1-3), page 53, Catawba Presbytery Rules of Procedure) and the group expresses a desire to become a mission**
- (2) A proposal for mission status will be forwarded to the Committee On Church Extension with the request that the committee review the proposal. Communication between the two committees will begin at this point to work out any details in preparation for sending the matter to Catawba Presbytery for approval.**
- (3) The Committee On Church Extension will petition Presbytery to approve this request,**
- (4) The approval of Catawba Presbytery transfers the responsibility for this group to the Committee On Church Extension.**

We are convinced by what we have witnessed in the past months that ministry is being carried out by the ministry group. The enthusiasm of the people and leadership is heartening to say the least.

RECOMMENDATIONS:

1. That Presbytery approve the addition of Section 4, as stated above, in the Rules of Procedure for the Committee on Outreach.
2. We covet your prayers for both the ministry group and committee members.

Respectfully submitted,
James C. Barker, Chairman

George Busch offered an amendment, that (4) be amended by adding: The Committee on Outreach will continue to offer its full range of resources to the Committee on Church Extension, Presbytery the new mission and the church once it is established.

The report of the Old Brick Church Commission was presented and RECEIVED AS INFORMATION as follows:

REPORT OF THE COMMISSION OF THE OLD BRICK CHURCH (OBC)

Since its last report to Presbytery the Commission met on 23 January 2010 and 13 May 2010 in order to discuss several items of business.

Items:

- In October the Commission acquired 1.85 acres adjacent to the OBC property for \$8,000 plus closing costs from Mrs. Annie Ruth Huffstetler. Since that time the Commission has undertaken extensive tree and undergrowth removal on the property.
- DP3 Architects, Greenville, S.C., represented by architect John Dunham, completed the needs assessment and preservation plan and met with the Commission onsite in January to review the plan's recommendations. Mr. Dunham commented that overall the church is in very good repair but noted the following items:

Immediate Recommendations

1. Contract with a pest control company to provide regular treatments to prevent future infestations of termites and other pests.

Short Term Recommendations (One year to 18 months)

1. Install upper latches on the shutters so that they can be locked more securely.
2. Install black screens behind the foundation vents to limit access by animals to the crawl space.
3. Replace the exterior wood sills on the upper level windows. The current wood sills are replacements and do not match the original design, and they also do not provide proper water drainage.
4. Correct the water drip issue on the rear (south) wall. A French drain and much would prevent continued splashing onto the masonry wall.

5. Repaint and re-glaze windows as needed to protect against deterioration of the wood elements.

Long-Term Recommendations (Three to five years)

1. Replace the supplemental floor bracing in the crawl space with structural supports that provide adequate support for code requirements for assembly spaces.
2. Repair the mortar on the exterior walls and re-point joints where the historic lime based mortar finish is missing.
3. Continue to monitor the condition of the roof.
 - Stones to identify unmarked graves have been installed in the OBC grave yard.
 - Initial planning is underway to conduct a religious service at the OBC in October 2010.
 - The Commission is inquiring into the feasibility of hosting a cemetery preservation workshop at the OBC to be conducted by the Chicora Foundation, Columbia, S.C., and that it be publicized throughout the A.R.P. denomination as well as to local historical and genealogical societies.
 - The Commission has submitted to the Moderator of Catawba Presbytery the recommendation of Mr. Cal McMeekin of Columbia, S.C., to replace Mr. Chandler McNair on the Commission. Mr. McNair's term of service expires on 1 July 2010.

Recommendations

1. That this report be received as information.

Respectfully,

Bryan F. McKown, Secretary

The report of the Commission on the Minister and His Work and the Supplemental Report of the Commission were presented as follows:

REPORT OF THE COMMISSION ON THE MINISTER AND HIS WORK

The Rev. John Uhl ended the pastoral relationship with the Hope Church in Opelousas, LA effective March 26, 2010 to peruse another pastoral call. The Hope congregation voted to dissolve the relationship at a Congregational Meeting on March 14, 2010.

The Commission is in communication with the Faith ARP Session about their supply arrangement.

The Commission is following-up with sessions where the minister did not receive a cost of living adjustment.

Recommendations:

1. That Jan Sattem serve as the Moderator of the Hope Session in Opelousas, LA.
2. That the report be received as information and printed.

Respectfully Submitted,

David H. Lauten, Chairman

WHEREAS, the Session of Centennial ARP Church is concerned with several aspects of continuing to defend this lawsuit, including: (1) The likelihood that the General Synod will not prevail at a trial given the April 9, 2010 Order issued by Judge Griffith; (2) the expense to be incurred in attorneys' fees in defending this legal action which takes dollars that could otherwise be used for other more appropriate purposes within the denomination; (3) the general lack of support within the congregation at Centennial ARP Church for the continued defense of this lawsuit; and (4) the potential for further damage to the peace, prosperity and unity of the General Synod by forcing churches within the denomination to pick a side in the lawsuit so long as it continues; and

Adopted by the Session: 18 May 2010

Elder Robert Taylor, Vice Moderator
Michael Evans, Clerk of Session

A motion was made that Item 4 from the Centennial memorial be changed to item 5 and all instances of reference to Centennial be changed to reflect Arsenal Hill and that item 4 from the Arsenal Hill Memorial be added and the memorials combined with those changes. The motion was ADOPTED.

A motion was made and ADOPTED to change the word "likelihood" to the word "possibility."

The combined memorial to be presented to the Synod reads as follows:

**MEMORIAL TO CATAWBA PRESBYTERY
FROM THE SESSIONS OF CENTENNIAL AND ARSENAL HILL
ASSOCIATE REFORMED PRESBYTERIAN CHURCHES**

WHEREAS, during the called meeting of General Synod meeting held on March 2-3, 2010, motions were ratified which called for the restructuring of the Board of Trustees of Erskine College, the appointment of a Replacement Interim Board, and a change to the Nominations Process for the Board of Trustees of Erskine College; and

WHEREAS, South Carolina Circuit Court Judge Eugene C. Griffith, Jr. issued a Preliminary Injunction on April 9, 2010, enjoining the actions taken by the General Synod as set forth above

until a trial can be held on the merits in a lawsuit filed in the Abbeville County Court of Common Pleas in which the General Synod is the Defendant; and

WHEREAS, the Moderator of General Synod sent a letter dated April 13, 2010, to all Elders and Ministers of the ARP Church urging the support of all Churches within the denomination for the continued defense of the lawsuit despite the ruling by Judge Griffith and the expense to be incurred in defending the lawsuit; and

WHEREAS, the Sessions of Centennial ARP Church and Arsenal Hill ARP Church are concerned with several aspects of continuing to defend this lawsuit, including: (1) The possibility that the General Synod will not prevail at a trial given the April 9, 2010 Order issued by Judge Griffith; (2) the expense to be incurred in attorneys' fees in defending this legal action which takes dollars that could otherwise be used for other more appropriate purposes within the denomination; (3) the general lack of support within the congregation at Centennial ARP Church and Arsenal Hill ARP Church for the continued defense of this lawsuit; and (4) the pursuing of the defense of the lawsuit without attempting peaceful reconciliation is in itself against Biblical teachings we professed to believe and (5) the potential for further damage to the peace, prosperity and unity of the General Synod by forcing churches within the denomination to pick a side in the lawsuit so long as it continues; and

WHEREAS, Centennial ARP Church and Arsenal Hill ARP Church wish to promote peace, prosperity, and unity within Catawba Presbytery and the General Synod by resolving the current lawsuit and giving the Erskine Board of Trustees the opportunity to take actions such as those outlined in the Resolution adopted by that Board dated February 19, 2010 which was presented to the General Synod at the called meeting on March 2-3, 2010.

NOW THEREFORE BE IT RESOLVED, that the Session of Centennial ARP Church and Arsenal Hill ARP Church requests that Catawba Presbytery take a formal position urging the General Synod to attempt to settle the lawsuit now pending in Abbeville County in order to promote peace, prosperity, and unity within Catawba Presbytery and the General Synod and to allow the Erskine Board of Trustees the opportunity to take actions such as those outlined in the Resolution adopted by that Board dated February 19, 2010 which was presented to the General Synod at the called meeting on March 2-3, 2010.

Adopted by the Session of Centennial ARP Church: 18 May 2010
Andrew L. Bair, Vice Moderator
Bryan E. McKown, Clerk of Session

Adopted by the Session of Arsenal Hill ARP Church: 18 May 2010
Elder Robert Taylor, Vice Moderator
Michael Evans, Clerk of Session
ADOPTED BY: CATAWBA PRESBYTERY ON JUNE 8, 2010

A memorial was offered by David H. Lauten as follows:

MEMORIAL

MOTION: That Catawba Presbytery adopt the following motion and that it be presented as a Memorial from Catawba Presbytery to the Synod of the Associate Reformed Presbyterian Church during its meeting at Bonclarken June 8-10, 2010.

In light of the motions passed during the meeting of the General Synod of March 2-3, 2010 calling for the appointment of a replacement interim Board and a change to the nominations process for the Board of Trustees for Erskine College and Seminary, and the subsequent injunction issued by Judge E. C. Griffith, Jr.,

- **Acknowledging** the need of the Associate Reformed Synod for God's grace and wisdom, and confessing that there has been not only legitimate difference of opinion among us, but also a failure to see the Lord's face, to act with discretion, wisdom and with an openly confessed commitment to submit ourselves to the whole counsel of God and to pursue not only those goals which will be to his glory, the advance of the gospel of Christ, and the holiness and unity of the church which Jesus Christ purchased with his own blood;
- **And taking cognizance** of such facts as have come to light since the meeting of the General Synod, and chiefly that in private discussions during the special called Synod, members of the Executive Committee of the Board of Trustees were willing to approve the proposals of the Special Commission with respect to the future development of the Board, including specifically the numerical size of the Board, *but only a time scale differing only by a few months from the Special Commission's proposal*;
- **And in full recognition of the solemn duty of the Board of Erskine College and Seminary** to act in pursuit of its fiduciary responsibilities;

MOTION: For the sake of (1) the honor of the Lord Jesus Christ among his people and in the world; and (2) the unity and peace of the church, and (3) the special relations that have historically existed between the Church and the College and Seminary, and (4) the current material needs of the College and Seminary and its various employees, and (5) minimizing the damaging impact of the current lawsuit and addressing issues pertinent to it,

Catawba Presbytery moves that Synod, acting immediately through its Executive Board , ask the Board of Erskine College and Seminary in the spirit of brotherhood to commit itself voluntarily to members of its Executive Committee had, it is believed, informally agreed with members of the Special Commission, and present proposed changes to the 2011 meeting of the General Synod, commit itself to the process to which a process by which the concerns expressed in the on debate and discussion with regard to the Board might be addressed.

Presbytery thus prayerfully expressed the desire and hope that (1) Such a measure of agreement might meet the concerns of the majority of Synod who voted for a similar but marginally more rapid change being made in a mandatory fashion; (2) Such a voluntary action on part of the Board which reassure both Synod and the Erskine Community can, despite past differences in matters of wisdom rather than principle, and although mutually wounded by recent events, honor Jesus Christ, seek the glory of God above all personal interest, and help to advance rather than hinder the ministry of Erskine College and Seminary as a community in which Christ, his covenant grace, his faithful Word, and his Father's name are honored.

Respectfully,
David H. Lauten

A motion was made and ADOPTED the following words "to a process by which the concerns expressed in the ongoing debate and discussion with regard to the Board might be addressed" in place of the words following the word "voluntarily."

The amended memorial to be presented to the General Synod reads as follows:

MEMORIAL

WHEREAS motions passed during the meeting of the General Synod of March 2-3, 2010 calling for the appointment of a replacement interim Board and a change to the nominations process for the Board of Trustees for Erskine College and Seminary, and the subsequent injunction issued by Judge E.
